It's Christmas time!

The festive season is just around the corner and biscuits are back on sale in the supermarkets. We invite you to a SpaCE (Spiced Wine and Cookie Evening) right at the beginning on December 3rd at 19:00. We look forward to seeing you there! The Dies Academicus will take place the very next day, December 4th. There will be no regular events. Instead, there will be various voluntary offers from different subjects. You can find more information at uni-bonn.de/de/studium/studienangebot/mehr/studium-universale. Christmas is arriving and with it this year's Maths Christmas Party, which will take place on Thursday, 12.12., from 18 c.t. in the MZ. The number of participants is limited to 199. Register with your name from 02.12. at weihnachtsfeier@fsmath.uni-bonn.de. There is an entrance fee of 2€. If you would like to contribute something creative to the program, please send an e-mail to weihnachtsfeier@fsmath.uni-bonn.de. We look forward to seeing you! You can find more detailed information at fsmath.uni-bonn.de.

Tea Time with Women in Mathematics

On December 6th from 16:00 to 18:00 there will be a Tea Time in the Lipschitzsaal on the topic "(Re)claiming your space". We want to talk about the specific situations in which gender influences our experience as mathematicians and how we can react to those negative situations. We have invited speakers from MPIM to share their experiences as women in mathematics and strategies for dealing with negative experiences in a panel discussion in English. This will be followed by a discussion in smaller groups with

tea and cookies. All female, intersex, non-binary, trans and agender people are invited.

FSV-Election

It's that time of the year again, from December 09–11, you can vote for the FSV, the student representatives for mathematics! You can vote on Monday at the math center from 14:00 to 18:00, on Tuesday at the Wegelerstraße 10 from 09:00 to 13:00 and on Wednesday in the Campo Mensa 11:30 to 14:00. We look forward to the highest possible voter turnout. Remember to bring your student ID and your identity card.

Survey

Hello everyone, we want to find out how we can best reach you with information about our events. Therefore, here is a short survey to promote our events. Please give us honest answers and feedback so that we can improve if necessary: tinyurl.com/fsmath-events

Registration for Exams

As of 01.12.2024 you can register for the exams in your courses. The registration this year is via **BASIS**. Depending on the type of exam the deadline for the registration varies. For written exams, the registration period runs until two weeks before the exam date, for oral exams until two weeks before the end of the lecture period. Please check for every registration that you have received a confirmation email!

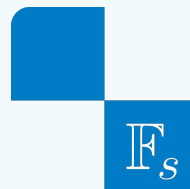

Riddle of the month

There are two gates, one to hell and the other to heaven, and gatekeepers, one for each gate. One of them always speaks the truth and the other always lies but you don't know which one guards which gate. You are allowed only one question and you need to find out the gate to heaven. What is the question?

The solution will be on the next Loo Paper.

Solution to the last riddle:

We need 10 rats in order to find the poisoned wine.
